

## Support the future of the BGF

### Become a BGF Ambassador

To secure the long term future of the BGF, we need engagement and support from those who have experienced it!

We would like the alumni community to become ambassadors for the Forum by mentoring new participants, suggesting ideas to develop the programme, and promoting the Forum within their networks.

### Alumni Mentorship Programme

Help us select future leaders to share their ideas, experience and expertise in this vibrant and lively environment.

- Identify a contact or colleague who would benefit from the BGF challenge and whose participation would be valuable to others.
- Nominate them and help them to find funding for their participation fee and travel expenses, either through your organisation or by fundraising.
- Discounted places will be available for those representing government, NGOs and civil society.

### Pass on the experience

BGF participants are young leaders with diverse backgrounds in civil society, diplomacy, media, politics, academia and business.

Give your peers the chance to

- network with high fliers from the UK and Germany in a prestigious setting;
- engage in intense policy discussion and debate with expert international speakers;
- increase mutual understanding and international cooperation;
- benefit from professional and personal growth.

### Shape the discussion

We would love to hear your views on the format and content of the forum.

- What are the most relevant and topical issues affecting the UK and Germany today?
- How should we best address these themes to achieve productive outcomes?

Recent programme topics include:

- Strengthening our resilience and preparing for an uncertain future
- The future of Europe and the EU

### Pledge your support for the BGF

As a non profit making organisation, we are reliant on support from intellectual partners, corporate sponsors and fee-paying participants. Our Sponsorship Packages and The Wilton Park Global Bursary Programme give organisations the opportunity to support our work and ensure that events such as the prestigious BGF continue to benefit new generations of foreign policy thinkers for years to come. Please get in touch if you would like to discuss how you can support the BGF and other Wilton Park programmes.
